Microfilm of Books on Christian Mission in China 1995

Presented by Dr Nicol Macleod of Chadwyck-Healey Ltd., Cambridge, December 1996

Catalogued in February 2001 or earlier. Revised by Philip Saunders, Archivist, October 2017, April 2018

These are 'check copies' in 35mm roll film format produced by Chadwyck-Healey Ltd. for the British Library as part of a joint publication project between the Library and Averro Publications Limited under the project title *The Nineteenth Century Microfiche Programme*. All the original books are in the British Library. The film is not listed in Proquest's (Chadwyck-Healey's successors) 'East Asia' or 'Religion & Theology' of April and May 2010 respectively of which catalogues were available online in April 2015. I have noted a few that are available in printed book format in the Cambridge University Library. Formerly numbered CHB 1/1-6, apparently anticipating further gifts from this source. Copies may be made for research of individual items but not of a complete microfiche as published.
